Easily comply with the NEW Affordable Care Act (ACA) reporting requirements using the 2017 ACA Software by ComplyRight™

As of January 2016, the Affordable Care Act (ACA) Employer Shared Responsibility Rule, under IRS Code Sections 6055 and 6056, requires employers to file annual information returns 1095-B and/or 1095-C with the IRS and deliver employee statements with health plan coverage information. Transmittal forms 1094-B and/or 1094-C also need to be filed with the IRS.

The 2017 ACA Software by ComplyRight has been designed to accommodate users preparing to meet IRS regulations with the new requirements. Backed by reliable, Windows-based functionality, this software provides all the tools you need to both create and print your forms, then deliver to recipients and file to the IRS. The forms on-screen mirror the actual IRS forms, plus, with the 2017 ACA Software by ComplyRight you can be confident that all software features and forms meet strict IRS specifications.
