

Compliance Alert: IRS Releases 2019 Form W-4

IRS Releases 2019 Form W-4

On Wednesday, December 12, 2018, the IRS released the 2019 Form W-4. Form W-4 is the Employee's Withholding Certificate. Employees must complete Form W-4 so that their employers can withhold the correct federal income tax from their pay.

There were minimal changes made to the 2019 Form W-4, which include the following:

- Minimal changes to instructions
- Updated withholding tables for 2019

In order to help our customers comply with this law, we have released the 2019 Form W-4.
